Stanford University  
Stanford, California

Dear Dr. Brandt:

In Mr. Dulles' absence from the city I am writing to acknowledge and thank you for your letter of December 21st, just received requesting an appointment with him.

Mr. Dulles will be away until January 4th and is rather heavily scheduled immediately after his return. However, I have looked over his calendar and have made a tentative appointment for you to see him on Friday, January 6th, at 3:30 p.m.

I am sure you will appreciate that in Mr. Dulles' absence I cannot make this appointment firm at the moment. However, barring unforeseen developments I am reasonably certain Mr. Dulles will be able to see you at that time. In any event I shall see him as soon as possible after his return and will confirm the appointment to you at the Cosmos Club no later than Thursday, January 5th.

Sincerely,

  
Assistant to the Director
